

Board Okays Jubilee Plans; Pass Sales Tax Resolution

Diamond Jubilee celebration plans, United Fund, sidewalk, and safety commission recommendations were among the subjects brought before the Village Board in a lengthy session Tuesday night.

The trustees approved closing off Broadway between the Village parking lot and Orchard St. on the afternoon of Friday, Aug. 5 to allow for the water fight sponsored by the Antioch Fire Department during the jubilee celebration. The street will be closed again after 9 p.m., Saturday, Aug. 5 to permit the Jaycees to sponsor an old-fashioned street square dance as their contribution to jubilee entertainment.

The Diamond Jubilee will receive national attention and the Community Pool Fund will receive a shot in the arm as a result of co-operative program involving Regal China Co. and Expando-Foam Co., of Antioch, Lake Shore Distributing Co., of Waukegan, and the James Beam Distilling Co., of Chicago.

Special ceramic bottles featuring the Indian head nickel on one side and a legend commemorating Antioch's

birthday on the reverse side have been prepared by Regal, according to Dave Nissen, of Regal.

The souvenir bottles will be filled by the Beam company, packaged by Expando-Foam, and distributed locally by Lake Shore.

Costs of designing the bottles and special packaging will be absorbed by the Antioch firms who will also turn over their profits to the pool fund.

The distilling firm will also make a contribution to the fund.

Nissen told the village board "The Beam bottles made by Regal are becoming collector's items and the distillery plans to distribute the Antioch bottles throughout the nation."

BOOSTS UNITED FUND
John Shaffer, of the United Community Services, spoke briefly on behalf of the United Fund and urged Antioch to join the North Lake County effort to bring better community services to western Lake County through a more successful united fund raising program.

No action was taken, but Mayor Toft and other members of the board indicated approval of the plan.

A resolution boosting the village sales tax (one-fourth of one per cent under legislation passed by the Illinois General Assembly) was adopted unanimously after Mayor Toft recommended that new revenue from the increase be earmarked for traffic control lights, curbs and gutters and other general improvements.

The increase is expected to add approximately \$3,000 a month to the village treasury. It becomes effective August 1 and will boost the sales tax to 5% including the state's share.

FIRE AGREEMENT APPROVED

A mutual aid agreement with 10 north Lake County fire departments was approved by the village board. Under the agreement each of the cooperating departments agrees to send men and equipment when needed to neighboring communities.

The agreement covers communities from Lake Michigan to Fox Lake.

The board accepted recommendations of the Antioch Safety Commission and authorized implementation of the program.

Under the program the village will remove a huge pine

Grayslake To Host County Fair

The 39th annual Lake County Fair and 4-H Club Show starts Wednesday, July 26 and continues through five days and nights, including Sunday, July 30, according to Ray T. Nicholas, Lake County Farm Adviser. The hours are from 9 a.m. to 11 p.m.

The fair will be held on the Lake County Fair Grounds, located on Route 45, about one-half mile north of Route 120. The fair grounds are about 10 miles west of Waukegan, and one mile east of Grayslake, and about 40 miles northwest of Chicago.

The Lake County Exposition is now recognized as one of the top county fairs in Illinois, and among the top in the entire nation. More than fifty acres of land are available for the industrial, educational and commercial exhibits, the large midway, and for parking.

While the Lake County Fair still maintains much of the flavor of the old county fair with its livestock, crops, and homemaking arts exhibits, it has kept up with the latest progress in making this an outstanding exposition.

Beauty Pageant Entry List At 16 As Deadline Is Reached

Candidates in the Beauty Queen competition to be held as part of the Diamond Jubilee and their sponsors will be guests at a Sponsors and Contestants Dinner Sunday, July 23, with preliminary judging slated for Antioch High School July 29.

With the passing of the entry deadline July 15 the entry list was set at 16 aspirants for the Jubilee Celebration Beauty Queen.

Entries were received at the headquarters of the sponsoring Lake Region Jaycees from six new contestants since last Thursday, bringing the total to 16 who will vie for the honors.

Betty Brinker, an X-Ray

technician at Michael Reese Hospital, Chicago, is being sponsored by Wilton Electric Company in her bid for the Miss Lake Region Crown.

An outdoor enthusiast, Miss Brinker favors skiing, horseback riding, and tennis. As a student at Antioch High School she was active in Student Council, Pep Club, GAA, Sequoia, and Choir.

Songs and dances are the talent specialty of Kris-Ann Fournier, of Lake Villa.

Active in youth activities, Kris-Ann is a Past Honored Queen of Job's Daughters; Past Worthy Advisor of Rainbow for Girls and is the 1967 Sweetheart of Millburn DeMolay. Miss Fournier, who is

sponsored by Ace Hardware, has been active in theatre groups at Antioch High School, PM&L, and Mr. L's Carousel Theatre.

Dark-haired Terri Guido, of Carmel High School, has narrowed her choice of colleges to Clarke College, Iowa, Cathage in Kenosha, or Carroll College where she hopes to continue her interest in dancing and the theatre.

A choreographer as well as a dancer Terri also finds time for folk-singing.

She will be sponsored in her bid for the crown by Hahn's Jewelry.

Travel is the favorite pastime of Joan-Tiffany Lang, of Antioch, who will be a

sophomore at Northwestern University in the fall.

Entered as Miss Galaxie by Lyons and Ryan, Miss Lang is a brown eyed blonde who barely tips the scales at 90 pounds.

Miss Lang has traveled extensively through the United States, Europe, Canada, Mexico, and the Virgin Islands and uses her travels to expand her knowledge of geography.

Music and dramatics are the special interest of Janet Meyer, a green-eyed blonde who is being sponsored in the beauty contest by V&S Hardware.

Janet plans to attend Western University where she expects to carry on her activities in the band, as cheerleader, and in Student Council.

Janet, who lives in Lake Villa, weighs in at 105 lbs. and will present a clarinet

Janet Meyer

solo in the talent portion of the contest.

Sewing and Knitting for indoors and swimming and skating outdoors are the favorite hobbies of Diane Elizabeth Seidelmann, a June graduate of Antioch High School.

Diane is brown-haired with blue eyes and weighs 125 pounds.

Earlier entries included JoAnn Lozowski, entered as Miss Charm Glow; Cindy

Joan Lang

Mortensen, who entered as Miss Phil's Restaurant; Nickie Nissen, sponsored by John Teresi Motors; Kathi Gross, sponsored by Gibbs & Jensen; Laurie Markward, Miss Ben Franklin; Marilyn Wierzgac, Miss Brave Bull.

Other entries are Marge Madsen, sponsored by Charles Cermak; Kristyn Ann Borchart, sponsored by the First National Bank of Antioch and The State Bank of Antioch.

"Gay 90's" Style Show Is Planned

Gay Nineties styles will be on display during the Antioch Diamond Jubilee celebration with the Woman's Club of Antioch sponsoring a costume contest.

Separate prizes will be awarded in the girls', boys' men's and women's divisions with a top award going to the best overall costume.

The contest will be held on Friday August 4, according to Mrs. James McMillen, Chairman of the contest committee.

The whole idea of costume-making started some time ago. The Woman's Club needed some tea table decorations for the reception they were holding after a play. They decided upon a theme of "The History of Queens."

Mrs. J. McMillen made the costumes on dolls. She authenticated twelve queen's costumes. The costumes were scaled in proportion to the size of the dolls.

After the tea, the women were asked to show their

Makes Daring Leap To Rescue

Doctor Saves Young Woman From Her Assailant in Buggy

Aroused by anguished shrieks from a buggy passing the Armour ice house at Round Lake, at 10:30 one evening last week, Dr. E. A. Crane, who was a guest of the manager, Frank E. Fenderson, dashed for the road to find the cause of the disturbance and unearthed an outrage unparalleled in the county.

Reaching the road he saw a buggy standing in the ditch and from it were emanating the screams of a young woman, struggling in the grasp of a ruffian, whose shadowy outlines the doctor could see. As soon as the rescuer neared the outfit the driver whipped up the horse and to a running accompaniment of shrieks for help the vehicle made off through the darkness.

Crane ran back to the

barn, hurriedly hitched up a horse and with the barn man in his company, hurried in pursuit of the mysterious buggy, tracking it by the cries that came from the distance. The vehicle was overtaken near Robert Harvey's place, going still at full speed, and a neck and neck race began between pursuer and pursued, with the screams of the woman as an inspiration to her would-be rescuer.

"That Was" Tickets Free

"That Was the 75 Years That Was", a musical comedy, will be presented in the High School Gym on Thursday night, August 3.

The script for the pageant is being written by Dr. Albert Bucar and Dr. James Kopriwa.

The cast of about 30 is directed by Gloria Davis.

Dr. Bucar announced recently that tickets for this event will be complimentary. They may be obtained from the members of the Diamond Jubilee Committee.

The Committee has also decided to distribute these complimentary tickets on a first come, first served basis. They can be obtained from the three centrally located places. They are Antioch Savings & Loan, The First National Bank of Antioch and The State Bank of Antioch.

Edison Names Zion Area As Power Station

Commonwealth Edison Company will build a 2,200,000-kilowatt nuclear power station in Zion, Chairman J. Harris Ward announced today.

At a press conference in Zion's Illinois Beach Lodge, Mr. Ward named a Lake Michigan site as the location of a new station that will house twin 1,100,000-kilowatt class nuclear units. He said the two-unit station will cost "in the neighborhood of a quarter billion dollars."

Edison last February disclosed plans for the plant's first unit and the purchase of a pressurized water reactor and turbine-generator from Westinghouse Electric Corporation. Today Mr. Ward said that the company has exercised an option with Westinghouse to buy a duplicate reactor and turbine generator for a second 1,100,000-kilowatt class unit to be completed in 1973. The Zion location and a site in LaSalle County had been under consideration for the station.

The station will be built on a 250-acre site on the eastern edge of Zion between 23rd and 29th streets. The location is about midway between Chicago and Milwaukee and about 42 miles from Chicago's loop. Most of the property was purchased as a generating site over 11 years ago.

An application for a permit to construct the first unit was filed July 12 with the Atomic Energy Commission in Washington, D.C. A petition covering the proposed nuclear station will be filed with the Illinois Commerce Commission and approval will be sought from the Illinois Sanitary Water Board.

The new Zion plant will increase Commonwealth Edison's nuclear energy commitment, the greatest of any power company in the nation, to 5,200,000 kilowatts by 1973. In that year, seven nuclear units will account for about 85 per cent of the company's anticipated net generating capability of 14,600,000 kilowatts.

Christmas Arrives In July For Viet Nam Serviceman

It was Christmas in July last week for anyone watching the "crew" putting together generous Project Viet Nam donations.

The Women of the Moose Club joined with many parents and friends of the boys in Viet Nam last Monday to help pack goodies. Earlier in the week, the Women of the Moose had joined forces and kitchens to make many pounds of fudge. This fudge was packaged and placed with other items which were sent.

Joe Wolf, postmaster and one of the hard working post office crew, commented that a total of 201 packages were sent to the boys in Monday's mailing. The packages were sent out in last Tuesday morning's mail with a total of \$51.85 worth of postage.

The Antioch boys, serving in Viet Nam, should have received these packages by last Friday or Saturday.

Each package that went out to the boys contained the same amount. Each boy received four packages. In one of the packages the GI would find: sixteen packages of soup; ten packets of Kool Aid; six packages of tea; and candy.

Also included in this package was a Diamond Jubilee Coin. These coins were donated by the State Bank of Antioch so the boys over in Viet Nam would be a part of the Jubilee celebration.

In two other packages, the Women of the Moose placed their homemade fudge. Also included in the packing Monday evening with assorted candies and soup which totaled a few pounds.

Mr. Wolf also said that each boy received a package of paperback books. These novels ranged in mediums from Charlie Brown to James Bond.

All of these packages went to 51 Antioch men, now serving in Viet Nam. The project was started several months ago when Harry

Breher of the Post Office stormed up the idea. The idea grew as the whole Post Office took up the work. They started out on their own, but soon, other generous friends and relatives of the boys stepped forward to do their share.

More donors who helped the project last week were: Chicago Ink and Research Co.; State Bank of Antioch; Helen Wellman; Florence Bauer; Laura Swanson; Mr. and Mrs. Wallace Nelson; Mrs. Walter Johnson, Mr. and Mrs. Ed Rundgren; Mr. and Mrs. Greffkovic; Fred Scott; Mr. and Mrs. John Rampp and Malory's IGA Store.

Two new names will also receive packages from last week's mailing, and so long

Whose Money Is It?

You think taxes are high? They're not high enough, according to spokesmen for the administration.

They're not high enough, says the administration, because we still have too much money to spend. We have so much money, so they say, that we're pushing prices sky-high with our wild spending, and causing inflation.

This is why the government proposes to add a 6 per cent surtax to our income tax, they tell us. We've simply got to quit throwing all that money around.

The working man who is working at an extra job so that he can pay for a new car, which he has to have to get to work, may find the government's reasoning annoying, not to say downright infuriating. So may his wife, who wistfully rejects steak, chops and like goodies each day, because even on a diet of meat loaf and wieners she can't keep the grocery bill within the limits provided by her husband's salary.

The federal government, while sternly reproving the harassed taxpayer for his wild spending, freely ladles out money with both hands—to defense, to the war on poverty, to foreign aid, to dozens of important and unimportant projects. And while freely throwing money into the booming economy, chides the taxpayer for spending a few dollars to improve his lot in life.

If the taxpayer were really tossing around a surplus of cash, there would not be the thriving credit business that is doing big business in these United States. And if the government were to really cut down on its spending, any threat of inflation would be averted without squeezing more cash from the suffering taxpayer.

We all know taxes are necessary, and few will protest against paying their fair share of necessary expenses. But when the government decides to control the economy by simply taxing us so that we can't spend the money we've earned, we object. Any man intelligent enough to earn and conserve money is as competent to spend that money well as any government "expert".

Courthouse Notebook

BY LOU DUKIN

The dirt is flying around the old courthouse with excavating crews uprooting trees and digging the foundation for the new jailhouse.

While work is commencing on the second phase courthouse employees are growing more optimistic each day on their chances of moving into the new administration building before the snow falls.

Plans are being made and re-made for the big moving task and there will be mountains of notes, papers, and records uncovered when some of the ancient desks are cleaned out for the moving.

Bob Milton, chairman of the Lake County Republican Central Committee, is hard at work heading up a committee studying the feasibility of a state nominating convention, although a less ominous sounding name will probably be tacked to the meeting.

Milton was one of the prime movers in the convention which sent Charles Percy to the U. S. Senate primary virtually on a free ride, but gaining acceptance of a nominating convention prior to the 1968 primaries may be somewhat more difficult.

In 1966 Percy was the way-out-in-front leader for the Senate nomination and Ray Page, state superintendent of schools, as the incumbent was assured of the convention endorsement which left only the office of State Treasurer to produce convention fireworks.

A different condition exists this time with the offices of Governor, Lieutenant Governor, Secretary of State, Attorney General and Auditor on the block to say nothing of the U. S. Senate

if Everett M. Dirksen should decide to step down.

With five state offices to be filled and a host of able candidates ready to try for them the possibility of a harmonious convention would seem to be far-fetched.

A bitter convention fight could be as disastrous to Republican hopes as a hard-fought open primary.

Edward Justice Long, whoever he is, has stirred up some interest in his shadowy campaign, whatever it is.

Long's name is appearing on bumper strips and telephone poles around the county with a Republican symbol indicating that he is planning to seek a GOP nomination.

It is a good publicity gimmick for a political unknown because he is creating some conversation and this is usually good for a candidate.

Dusty old golf clubs that haven't had their hickory shafts dusted since the Republican golf outing last year are being wiped off and swung with increasing vigor.

And all because the Republican Central Committee has set its golf day for Wednesday, Aug. 9, at the Tally Ho Country Club, formerly the Vernon Hills Club.

Tickets are available at the central committee headquarters, 9 N. County St. or from your precinct committeeman.

That old favorite "Oklahoma" has been revived again, this time by the youthful cast recruited by Mr. L's Tent Theatre which this year is established at Midlane Country Club, near Wadsworth.

Your Congressman Reports....

By Cong. Robert McClory

The Congress is undertaking a two-pronged attack to prevent the violence that could be triggered during a "long, hot summer" of 1967.

Designed to amend the United States Criminal Code, a bill to prohibit travel or the use of any other facility in interstate commerce with intent to incite a riot or other violent civil disturbance has been introduced by Congressman William Cramer of Florida.

The first part of the proposed bill is aimed at interstate activities of "black power" leader Stokely Carmichael, self-proclaimed "American" Nazi leader George Lincoln Rockwell, and all others who employ such means to cause violent disturbances. As pointed out by Congressman Cramer, a large percentage of these professional agitators use interstate facilities to promote violence which local law enforcement officials are frequently ill-equipped to handle.

The interstate character of the provocation makes this offense an appropriate subject for federal legislation. Under the new bill, such violations will carry penalties of 5 years in prison or a \$10,000 fine or both. Unanimously, the House Judiciary Subcommittee (including this Member) voted to recommend this bill to the House of Representatives for early action.

The second part of this proposed amendment to the United States Criminal Code is aimed at protecting law-abiding civil rights workers who are legitimately assisting Negro citizens (primarily in the South) with voter registration, employment applications, public accommodations, enrollment in public schools and colleges, and other rights guaranteed by the United States Constitution, as implemented by the Civil Rights Act of 1965.

This second proposal will protect such individuals from intimidation, threats of physical harm and personal injury. Violators who use threats and other nonphysical means will be subject to a penalty of one year in prison or a \$10,000 fine, or both. Where bodily harm occurs to any such civil rights worker, the penalty can be \$10,000 or 10 years in prison, or both, and, if death results, the

presented in "the round" which brings the audience closer to the action and there is action aplenty as the young cast goes through its paces with zest and vigor.

For a fun night at the theatre you can do worse than watching "Oklahoma" at Mr. L's.

Board Sets \$416,000 Budget

Expenditures totalling \$416,000 were approved by the Village Board Tuesday with passage of the General Corporate Fund resolution.

In addition, to the General Corporate budget the board approved the Water and Sewer Fund appropriation resolution which provides for expenditures up to \$238,700.

Revenue for the general fund, the general operating fund of the village, comes from general taxes, sales tax, licenses and fees.

Water and Sewer funds come from the sale of water and sewer service fees.

Top money item in the general budget was \$106,450 appropriated for the street department for the construction and maintenance of streets.

The police department was allotted \$90,300 with the addition of \$6,000 for the possible hiring of an additional policeman during the year.

The resolution provides \$47,000 for the payment of principal and interest on outstanding bonds and \$44,450 for Public Works.

The levy ordinance which determines the amount of village revenue to be raised through taxes on personal and real property will be presented at the next board meeting.

prison term could be for life.

The House Judiciary Subcommittee has likewise recommended unanimously this part of the proposed legislation to the House of Representatives.

Coming during a particularly sensitive and explosive period of race relations, this two-pronged federal approach seems most salutary. Responsible Negro leaders and others, who have devoted their energies to promoting a peaceful approach—among all citizens—to equal civil rights, are convinced that violence, vandalism and disorder are serious obstacles to all efforts aimed at ameliorating race relations.

Many programs have been initiated in our large cities with a view toward improving race relations. Thousands of dedicated individuals (many of them volunteers), working at the local level, need the support of this legislative package to help them achieve the objectives of equal job opportunities, fair housing, desegregated schools and colleges, and equal access of public accommodations.

Passage of this legislation—with its complement of federal support, the FBI, federal prosecutors and the federal courts—can help provide the atmosphere of stability and order necessary for real progress in improved race relations.

It is hoped that enactment into law of this bill will help keep it "cool" in Cleveland, Los Angeles, Chicago, and other large American cities during the long, hot summer of 1967.

ACCEPT SIDEWALK BID

The trustees accepted the low bid of Certified Construction Co. for repair and construction of sidewalks.

The low bid of 75 cents per square foot of work was one cent lower than that submitted by Laursen & Blackman. Trustee Arthur Meierdick reported the village has started cutting weeds in vacant lots and will charge property owners \$.65 for each lot.

 Dear Sir:

World War II was fought for noble purposes, but has never ended in that it still remains an armed confrontation between the Free-World and the Communists.

The Korean War has never ended. There is an immense confrontation between American-South Korean forces and the Communist North. Fighting continues, off and on, with many casualties, including some Americans killed.

The Viet Nam War could continue forever, with the United States aiding both sides of the conflict and hand-cuffing the Military Forces committed to the South.

Now the United Nations has created another Korean situation in the Mid-East. An Armistice prevails; but the confrontation is still there, fighting continues, people are being killed; and the prospects are that this situation will continue indefinitely.

ANOTHER WINNER! The seven-year olds seem to be the workers as Suzanne Biller beams as she stands in front of the bike she earned by selling 12 subscriptions to the Antioch News.

Girl Earns New Bike

Seven-year-old Suzanne Biller, the daughter of Mr. and Mrs. Norman Biller of Bax 194 in Salem, Wis., is one of the new earners of a bike in the Antioch News subscription-selling campaign.

Suzanne, like anyone else who undertakes to earn a

bike in our plan, had to sell 12 one-year new subscriptions to the Antioch News to earn a bike. Suzanne also had a few two-year subscriptions which count as two one-year subscriptions.

Suzanne chose the Renegade, a style that is most popular with the younger set.

Suzanne said that she thought that she got most of her subscriptions from her "mommy's friends."

Like other winners, Suzanne didn't say much—she just kept looking with delight upon the bike which was hers!

Teen Knitting Contest Entries Are Sought

Teen knitters should start those needles clicking this summer because the 1967 National Wool Needlework contest is opening a new sweater division for teenagers.

Teens between the ages of 13 and 19 are eligible to enter either knitted or crocheted sweaters in the contest. The national blue ribbon winner gets a three-day trip to New York, accompanied by a parent or guardian, plus a special cash award.

The 5th annual Wool Needlework contest continues its adult classifications with four cash awards of \$1,000 plus expense paid trips to New York for two. The four adult classes include sweaters, knitted and crocheted, and afghans, knitted and crocheted. Both adults and teenagers can participate on the local level by submitting their entries for preliminary judging at this year's Wisconsin State Fair, Aug. 11-20.

First place winners at State Fair in both the teen and adult divisions are then eligible to enter the national contest.

There will be first, second, and third place awards at State Fair in all classes. Following the judging at the Fair one of the blue ribbon

winners will be judged "best of the Fair" and receive an engraved trophy.

National judging takes place in New York in December.

All articles submitted for judging in the contest must be knitted or crocheted of 100 percent wool or mohair yarn, purchased in the United States. Entries must have been completed since Jan. 1, carry one label of the yarn used.

The contest is sponsored by the National Hand Knitting Yarn Association and the American Wool Council.

Entry blanks and premium lists may be obtained by writing, or phoning the State Fair of Wisconsin, Home Economics Department, West Allis, Wis., 476-3000. Entries close Aug. 7 at 5 p.m. and judging is scheduled for August 8.

Channing To Discuss "Hello Dolly" Role

Carol Channing, long-time Broadway actress and star of "Hello Dolly," will discuss her identification with the role of Dolly Levi and her experience touring the world in the musical on WTTW, Channel 11's CONVERSATIONS Friday, July 28 at 9 p.m.

The program was recorded at Expo '67 in Montreal when Miss Channing was appearing in "Hello Dolly" at the Exposition. In speaking with Elliot Norton, drama critic of the Boston Accord American, she points out the different reactions that Dolly arouses—"In the South everyone thinks she is so sweet." "A Russian delegation described the play as 'optimistic'."

The actress likens herself to an athlete in training. She admits that the discipline required of a star is not always comfortable, and gives a detailed description of the rigors of touring to bear out this point. Miss Channing also speaks of her interaction with audiences and her feelings of responsibility toward them.

Letters to service station dealers throughout the state were sent to answer inquiries from a number of dealers as to how they should handle the recently adopted increase in the Illinois Retailers' Occupational Tax—the sales tax.

The company suggested retail pump prices of 35.2c a gallon for American regular gasoline and 39.2c for American Super Premium, to cover the sales tax increase.

A. V. Fraser, regional manager, also called attention to the increase of 1c a gallon in Illinois state gasoline tax, expected to go into effect August 1, and suggested that retail pump prices be increased at that time by exactly that amount.

In the 19th century, tuberculosis sufferers flocked to the Southwest in hopes that the dry climate would cure them.

County Fair....

(continued from page 1)
tion for everyone. From one end of the vast expanse of grounds to the other, there will be exhibits and attractions for all. The Midway, with its many rides and booths, will provide a sparkling carnival atmosphere.

Those who delight in seeing the best in purebred pedigree stock will find it at the Lake County Fair and 4-H Club Show. There will be hundreds of head of prize-winning livestock, ranging from the tiny bantam chickens and furry rabbits to the huge dairy sires. Exhibitors from Illinois and neighboring states will exhibit their best blue ribbon poultry, sheep, swine, dairy cattle, beef cattle, rabbits, and pigeons. For those who prefer their livestock in action there will be 4-H and open class horse and pony shows.

4-H CLUB DAY

The opening day of the fair has been designated as 4-H Club Day, and will feature, in addition to the all-day horse show, a talent show in the evening on the stage in front of the grandstand. The talent show will include the blue ribbon instrumental, dramatic, and novelty numbers selected from the Lake County Share-the-Fun 4-H Festival. Nearly all of the 4-H club exhibits will be judged the first day of the fair.

ENTERTAINMENT HIGHLIGHTS

Highlighting the entertainment programs will be a number of outstanding performers in a variety program. The special program for Wednesday evening will include the winners in the Lake County 4-H Share-the-Fun Festival. The finalists in the Lake County 1967 Fair Queen contest will also be introduced.

Entertainment for Thursday evening will include the crowning of the 1967 Fair Queen, a concert by the Navy Band, and a giant fireworks display.

The Rodeo and fireworks will also highlight the Saturday evening entertainment program.

Parcel Post To Expand Deliveries

Postmaster Wolf announced Tuesday that parcel post deliveries in Antioch will be expanded from five to six days a week as of July 19, 1967.

This is in line with a recent directive from Postmaster General Lawrence F. O'Brien following the signing of the Post Office Department appropriation bill by President Johnson. The legislation contains an \$8.5 million item for restoration of the six-day a week delivery which had been cut back in May, 1964 as an economy measure.

Nearly 5,000 cities are affected, Postmaster Wolf said. The Antioch postal official noted that the improved service will remove an inequity for many business and residential routes.

Postal customers served by "motorized" letter carriers have been receiving six-day deliveries all along. They were not covered by the 1964 cut back inasmuch as carriers on vehicles can deliver parcels of any size. Customers living on routes serviced by foot carriers have received larger parcels from a five-day a week parcel post route covered by a truck. Carriers on foot only deliver small packages.

One Antioch serviceman, now serving in Viet Nam, recently wrote a small letter of

thanks to the Post Office. Some of you may remember this lad from your trips to the Ace Hardware. The letter follows:

Dear People of Antioch:
This is just a small letter of thanks for the package I received not long ago. This is the first chance I've had to write and say thanks for the Kool-Aid, etc. It was well appreciated. I assure you. Over here in this God Forsaken country of Viet Nam, a person learns to appreciate the things he used to take for granted.

Semi-final selections will be made at Antioch High School on Friday, Aug. 4 with the official crowning slated for Sunday, Aug. 6. The winner will be eligible to compete in the Miss Illinois Pageant held each summer in Aurora.

Officials Observe Mayor's Birthday

It was birthday time again for Mayor Ray Toft and the Village Board meeting was interrupted long enough for cake and coffee.

In deference to Mayor Toft's position as Chief Executive of the village no candles were placed on the cake.

Village Attorney Edward C. Jacobs offered to lead the village board and officials in "Happy Birthday," but the motion died for lack of a second.

Four other packages were also sent out last week. Two packages were sent to the 67th Evacuation Hospital and two to the 85th Evacuation Hospital. These four packages contained various amounts of Kool-Aid, tea, soup, assorted candy and Wash 'n Dri packages. These four packages each weighed five pounds.

Each of the packages includes one small postal card-like note which reads: WE ARE PROUD OF THE UNITED STATES ARMED FORCES. This little package is just our way of saying thank you for the fine job you are doing and to let you know we are thinking of you. Take

dolls at the County Women's Club meeting. Here is where Mrs. McMillen ran into a snag—there were more tables than dolls! This presented no great problem as Mrs. McMillen just made more!

After the County meeting, the club was asked to sponsor a benefit. That time, Mrs. McMillen decided to make the costumes life-size. The women stage many shows now, for various clubs and church organizations, with the purpose being to interest the person in the history just enough to get people interested so they'll read about the topic.

The cash prizes of \$25 will be based upon originality and authenticity.

Mrs. McMillen, chairman, said that the library has old fashioned books on the shelves and Erickson's Sewing Center has dressed doll and pictures of the period costumes.

Also's Barnstable's, Gibbs & Jensen and Marianne's have life-size period mannequins on display.

Mrs. McMillen hopes to get people from the Historical Society to judge the costumes. The contest is open to all residents of Lake and Kenosha counties.

Mrs. Bruce Martin

Benjamin-Martin Wed In Late Evening Service

Miss Elizabeth Anne Benjamin, daughter of Mrs. R. Allen Benjamin and the late Reuben Allen Benjamin of Glencoe, exchanged nuptial vows with Mr. Bruce Griffin Martin on June 3rd at the Glencoe Union Church with the Rev. Richard Porter officiating at the formal eight-thirty ceremony.

Mr. Martin is the son of Dr. and Mrs. A. Stanley Martin of River Forest.

The bride is the granddaughter of the late Reuben Berkley Benjamin, inventor and founder of the Benjamin Electric Company of Des Plaines, Ill.

Elizabeth Anne chose an ivory tone, French lace embroidered gown with a short illusion veil. Her bridesmaids wore jonquil chiffon Grecian style dresses.

Her attendants were: Mrs. John A. Benjamin of New York, matron of honor, and the Mesdames Deborah Murphy of Boston, Catherine West and Zada Johnson, both of Atlanta, and two sisters of the groom, Carolyn and Constance Martin.

Mr. John A. Benjamin, the bride's brother, took the role of "father-of-the-bride."

The groom's best man was Mr. Wendall Cady and the ushers were Messrs. John Donaker and Irvin Longaker, both of Oak Park, Alan Christopher, Thomas Chatterton, Jay B. Martin, and Clifford Wilderman, all of River Forest.

Elizabeth is a 1963 graduate of Sellers Women's College and a Fine Arts graduate of the University of Georgia. Bruce is a 1965 graduate of Colgate School of Liberal Arts with a sociology major. Bruce was a member of Phi Kappa Psi Fraternity.

A reception was held after the ceremony at the Skokie Country Club in Glencoe.

Following a honeymoon in California, Mr. and Mrs. Martin will live in Chicago.

The Benjamins are summer residents of Lake Marie.

MOOSE TOPICS

By Lillian Birdsell

Not home for more than a day from his Florida trip, Governor of the Antioch Moose, Warren Andre, was involved in an accident with his grass cutter which resulted in a very seriously cut up foot. The extent of the damage will not be known until the x-rays are taken next week. Mr. Andre is resting at home at the present time.

Jr. Governor, Scotty Birdsell conducted the meeting held for the Loyal Order of Moose, Wednesday evening, July 12. The voting for the remodeling program was passed with a unanimous vote from the attending members and the referendum, signed and sealed was mailed immediately to Mooseheart by chairman Ron Polson. John Dupre was then appointed chairman for a fund raising project for the remodeling project.

Attending the meeting held at the Elkhorn Moose Lodge, Monday, July 10, were Jr. Governor Scotty Birdsell and Gene Hannon, North Moose of the Winner Legion No. 74.

The annual picnic held for the members of the Antioch Moose and their friends will be held at Lake Shangri-La Sunday, July 30. For entertainment there will be games, prizes and swimming. The water tank dipping will also be part of the picnic. All members are invited to attend. All that is necessary is to bring your own food and your friends. The rest

is furnished.

Collegians of the Antioch Chapter traveled to the Des Plaines Moose Home Thursday evening to take part in their College of Regents program. Gerry Mark and Alice Young served as escorts with Mid Gillum, Mae Palmer and Gert Good serving as chairmen. Others from Antioch attending this session were Sr. Regent, Jerri Polson, Jr. Graduate Regent Lillian Birdsell and co-worker Emily Novotny. Deputy Grand Regent of Illinois and a member of the Des Plaines Chapter was guest speaker for the evening. She urged the co-workers to double all their quotas for the ensuing year to help keep Illinois on top in the membership drive.

Furnishing the Moosehaven Health Center is the big project for the Women of the Moose for this year. Also present at this meeting was the former Dean of the Academy of Friendship, Wilma Martinsen.

Garden Club To Hold Annual Salad Bar, Card Party Meeting

Viet Nam (FHTNC) July 11 — Marine Lance Corporal James R. Hafferkamp, son of Mrs. Harold Brunson of R. R. 1, Bristol, Wis., is in Vietnam serving as a member of the Eleventh Marine Regiment, a unit of the First Marine Division.

As a part of the Marine Corps air-ground team, his regiment provides indirect artillery fire support for the division's infantry units operating against enemy units. The regiment is also engaged in a vast civic program. The civic action program is designed to assist the Vietnamese people in completing self-help projects and makes use of equipment and materials made available through the Marine Corps Reserve Civic Action Fund. Marines in Vietnam provide the know-how and guidance to the people in carrying out these projects.

San Diego, Calif. (FHTNC) July 12 — Seaman Recruit Dennis A. Corder, USN, son of Mr. and Mrs. Joe E. Corder of Route Three, Lake Villa, Ill., has been graduated from nine weeks of Navy basic training at the Naval Training Center here.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

Amarillo, Tex. — Airman William H. Groeninger, son of Clarence P. Groeninger of 1051 Bishop St., Antioch, Ill., has been selected for technical training as aircraft maintenance specialist at Amarillo AFB, Tex.

The airman, who has just completed U.S. Air Force basic training at Amarillo, is a member of the Air Training Command which conducts hundreds of specialized courses to provide the technically trained personnel for our nation's aerospace force.

Girl Receives Honors At Cornell College

Janet Polley, daughter of Mr. and Mrs. Warren Polley, 988 Osmond Avenue, Antioch, gained admission to the Dean's List recently as she graduated from Cornell College with honors.

Janet received honors status. To be named to Honors, the student must have an average of 3.5000 to 3.749.

To be considered for the Dean's List, the student must take a minimum of three courses for the semester. Grade averages do not include any courses for which the student has received participation credit only. A record with a "pass" or "incomplete" on it is not included.

Gas incinerators make sense.

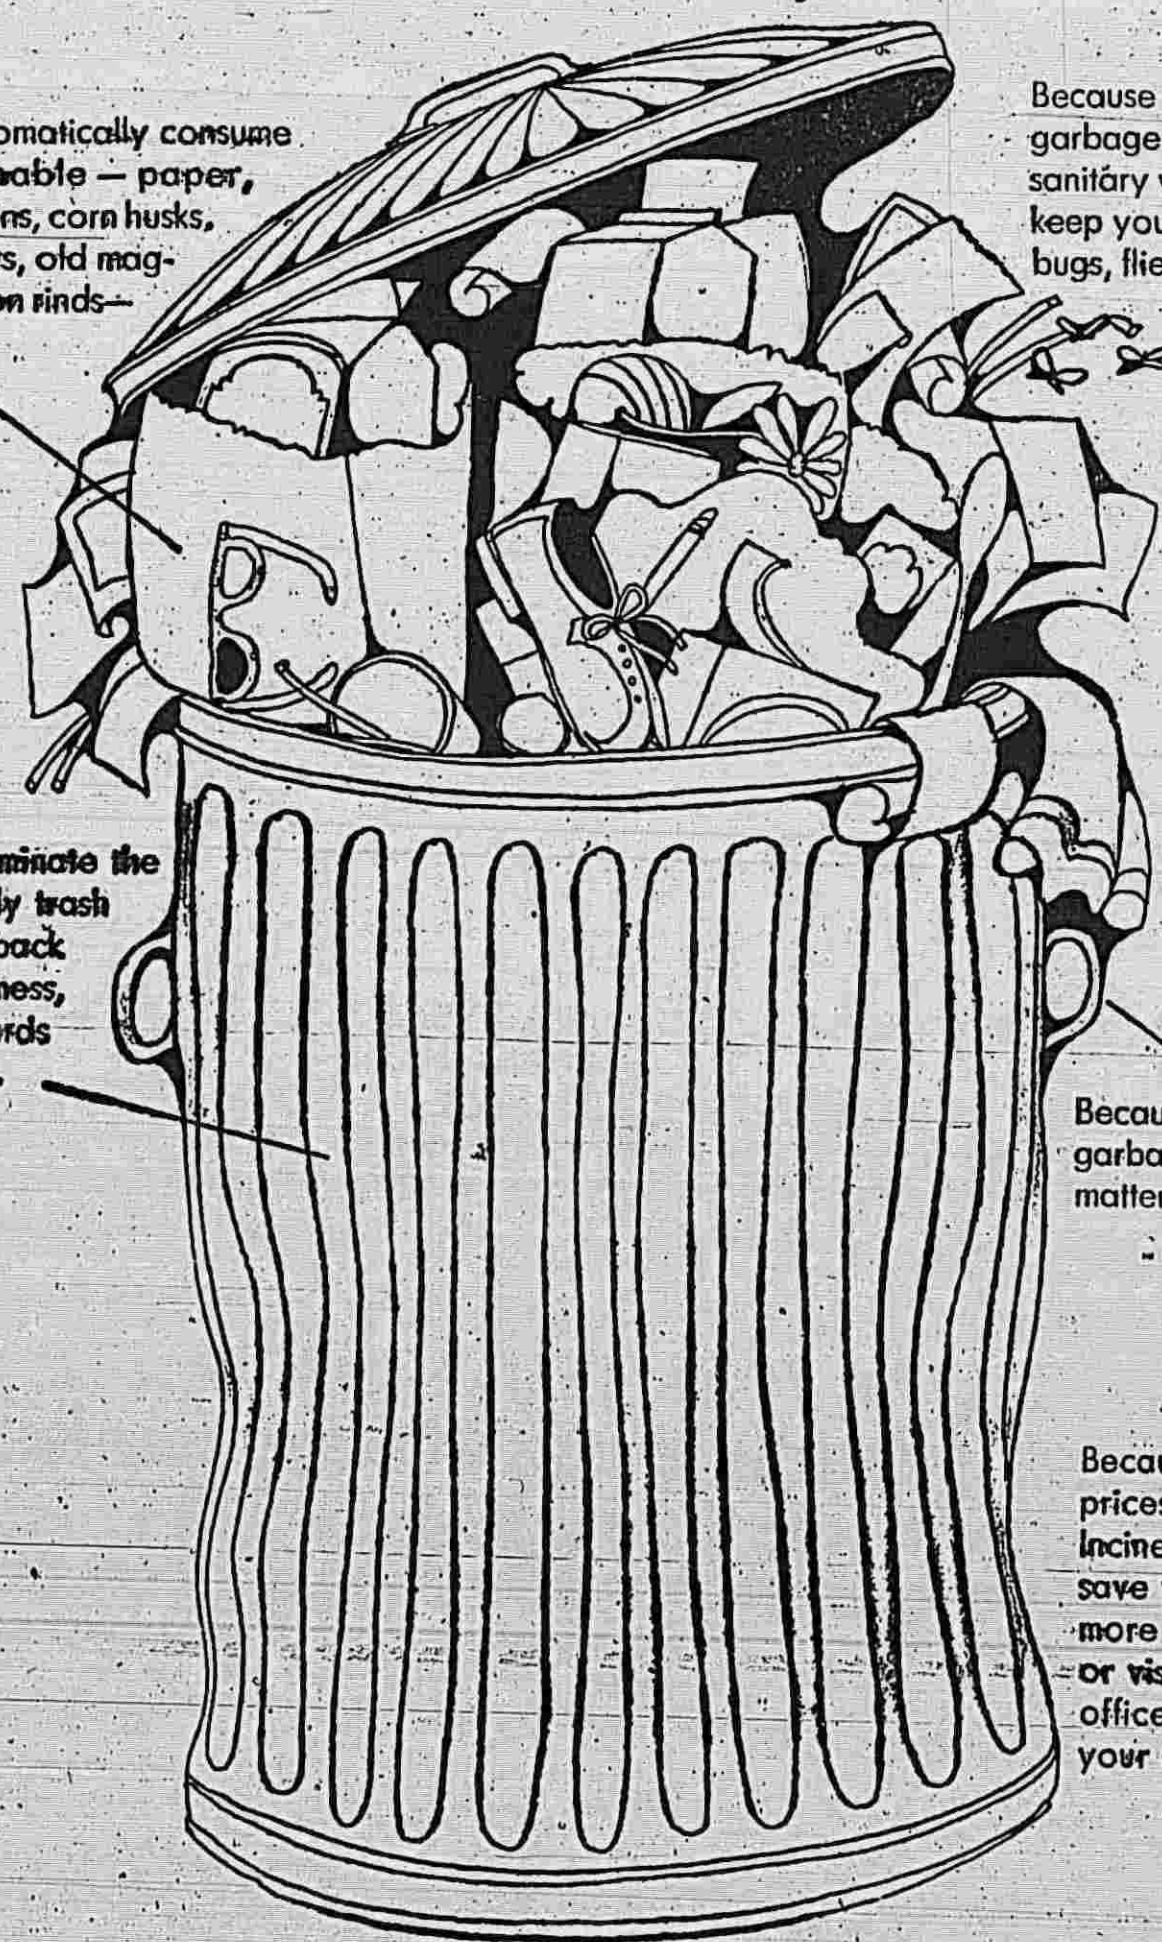

Because they automatically consume everything burnable — paper, bones, banana skins, corn husks, broken plastic toys, old magazines, watermelon rinds — you name it.

Because they eliminate the need for unsightly trash burners in your back yard...and the mess, smoke, and hazards of outdoor fires.

Because they dispose of garbage and trash the sanitary way — they help keep your house free of bugs, flies, and odors.

Because they take out the garbage for you, no matter what the weather.

Because special prices during Summer Incinerator Sale will save you money. For more information phone or visit our nearest office, or check your dealer.

Antioch Couple Celebrate Golden Wedding Day

Mr. and Mrs. Richey V. Chicago. Graham of River Forest and Antioch, Illinois celebrated their golden wedding anniversary June 23rd with a dinner party in the Chrystal Room of the Illinois Athletic Club given by their children: Mr. and Mrs. Thomas C. Hope of Winnetka, Mr. and Mrs. Richey V. Graham, Jr. of Hinsdale, and Mr. and Mrs. Robert J. Graham of Antioch. Mr. Graham is chairman of the board of 1st Savings of La Grange Park, Illinois. He is a former member of the Illinois State Senate where he served many years as the President Pro-tem of the Senate. Mrs. Graham is a daughter of the late Anton J. Cermak, Mayor of the City of Chicago.

Attending were four of the five Graham grandchildren: Thomas C. Hope, Jr., Lt. J.G. Richey Graham Hope, who just returned from Viet Nam, Anton J. Cermak Graham II, and Kathleen Graham. Karen Graham was unable to attend due to her studies at the University of Hawaii.

The dinner party attended by sixty-five guests of the Grahams included their brother-in-law, Governor Otto Kerner of Illinois.

Grace was said by Rev. A. Henderson of St. Peter's Church, Antioch. Rev. Frank Coyle of St. Michael Church, Orlando Park, Illinois, presented the Grahams with the Papal Blessing from Rome.

Instructor Attends N.J. Summer Session

Miss Ann Herman, an instructor at Wayne State University, from Antioch, attended the Summer School of Alcohol Studies at Rutgers, New Jersey's State University, June 25-July 14.

The Summer School, which is 25 years old, gathers and teaches objective information about alcohol and alcoholism. It attempts to avoid the long-standing debate over drinking or not drinking and instead teaches its students new, scientific answers to the problems of alcohol use.

Dr. Milton A. Maxwell, is executive director of the Summer School, which is a unit of the Rutgers Center of Alcohol Studies.

"It often takes decades for the results of science to find their way into ordinary use," Dr. Maxwell says. "The purpose of the Summer School is to ensure that discoveries in the field of alcohol studies become quickly available to those who can put them to use."

Since 1943, when the Summer School started at Yale University, 4,800 men and women from every American state, 10 Canadian provinces and 27 nations have been enrolled. This summer, 316 additional students were added to the total, with students coming from points as distant as Costa Rica and Wake Island.

Local Student Graduates From Roosevelt University

Donald Van Erden, Wildwood, was among the 1967 graduates at Roosevelt University, Chicago.

The graduates heard Dr. Philip Hauser, Professor of Sociology, University of Chicago speak at the commencement ceremonies Monday, June 19 in the Auditorium Theater. This was the first time Roosevelt University used the Auditorium for commencement and marks only the third time the nearly restored landmark has been utilized since the 1940's.

Rescue Squad Fund Drive Is Underway

The Antioch Rescue Squad, which annually answers hundreds of calls for help from accident victims, is making its annual appeal for help.

The Antioch Rescue Squad is a volunteer organization which has set high standards of service and devotion to duty.

According to John F. Romer, chairman of the Lions Club Rescue Squad Fund Committee, the Rescue Squad responded to 212 calls during the past year.

In addition several of the men attended a special seminar sponsored by the American College of Surgeons and the Chicago Committee of Trauma to better equip themselves to handle emergencies.

A new rescue squad with full equipment has been added to the department which is supported in large measure by contributions made during the annual fund-raising drive.

Romer urged all residents of the area to contribute to the funds so the Antioch Rescue Squad can continue its fine service to the community.

Central High Board Meets

At the Central High School Board of Education meeting routine action was taken on bills.

Frank Burlingham of the West Architectural Firm met with the board to discuss proposals for expanding the parking area at the high school. Several alternatives were discussed. It was decided to investigate the matter more thoroughly.

The board approved KATI use of the building for night classes in the fall. The following courses will probably be offered—(1) Beginning Typing, (2) First Aid, (3) Income Taxes, (4) Spanish I, (5) Medical Self-Help, (6) Record Keeping, (7) Math Refresher, and (8) Economics.

It was reported that the annual audit of the school's books was being carried on at the present time.

Randy Rich, a student at Antioch Community High School, is taking part in music recitals and theatre productions at Northwestern University this summer as a student in the University's Annual Summer High School Music Project in Evanston.

Some 240 high school music students and advanced eighth grade music students from across the nation are chosen annually for Northwestern's three-week summer music session. Jack M. Pernecky, director of field services and an associate professor of music education at Northwestern's school of Music, is director of the high school music project.

Some of the students are attending the summer session under awards from Northwestern University and scholarships from local schools and service organizations.

The project is designed to offer the high school students an opportunity to study, sing and perform significant music with outstanding faculty artists and teachers at the University's School of Music. Many of the music faculty are members of the Chicago Symphony Orchestra.

Randall is the son of Mr. and Mrs. Chester Rich of Rt. 2, Antioch.

Rabbit Chases Scared Dog

The traditional story of dog bites man or man bites dog was recently usurped in nearby Wadsworth.

Mr. and Mrs. Kania, who live just past the Tri-State Tollway on 173 have a "problem of a rabbit. Nothing much, you say?"

Well, how about if the rabbit was in your yard ALL DAY! The Kanias really don't mind the rabbit, except when it chases their dog. Yes, when their dog tries to scare the rabbit out of the yard by chasing it, the rabbit reverses the procedure.

The Kanias, obviously losing faith in their canine, also tried to evacuate the rabbit. But to no avail—the rabbit just chased them!

A point for all would-be rabbit chasers—call the Animal Warden!

BIRTHS

Mr. and Mrs. Robert Wall of Wadsworth welcomed a baby girl into their home recently. The child was born at Condell Memorial Hospital.

Biologist Gives Demonstration

Two demonstrations of "shocking" a pond with electricity, to determine the fish population, will be given on Saturday, July 22, by Fisheries Biologist Paul Vidal and Gregg Tichacek. The first demonstration will be given at 10 a.m. at Gaylord Donnelly's "Windy Hill Farm" on Casey Road, north of Libertyville. The second identical demonstration will be given at 2 p.m. at the Fred Marx property on East County Line Road, near Barrington.

A TV program publicizing the demonstrations will be presented on Friday, July 21, at 6:35 a.m. on Orion Samuelson's "Top of the Morning" show on WGN-TV, Channel-9. Soil Conservationist Emil Kubalek, and Fisheries Biologist Paul Vidal will preview the event.

The demonstration will be part of a Pond Management Field Day, sponsored jointly by the Lake and North Cook County Soil and Water Conservation Districts, and will include aquatic weed control and other pond management problems. The public is invited to attend.

Professor Awarded French Fellowship

Roger Kempf, a professor of French literature at Northwestern University, has been awarded a one-year fellowship from the American Council of Learned Societies.

Kempf was one of 38 men and women selected in a national competition sponsored by the Council to receive fellowships for six months to one year of post-doctoral research in the humanities and related social sciences.

A native of France, Kempf joined the faculty of Northwestern's department of Romance Languages in 1963. He is a specialist in 18th century French literature and the author of a book on the 18th century French philosopher-writer Denis Diderot, "Diderot et le roman", several essays on the 18th century metaphysician, Immanuel Kant, and many articles published in France, Germany and the United States.

Lauren Lawrence, brother of Jim Lawrence (who was killed in a highway accident near Kenosha last March), who will try to win the Championship this year "for Jim".

Speed Center Sponsors Memorial-Benefit Race

The Lake Geneva Speed Center has set Friday night, July 21, as the "evening" to honor the memory of one of its leading modified stock car drivers who was killed in a highway accident near Kenosha in March of this year.

Jim Lawrence of Trevor left a widow and five daughters who range in age from one year to a set of twins eight years old.

The family now has some specific needs and the success of this memorial-benefit race will permit not only the purchasing of some of these things, but it is hoped that by a large turnout on Friday night, a sizeable cash contribution can also be made to the widow following the race.

Already, many fans at the Speed Center have purchased regular \$2 race admission tickets for \$5.00 with the additional amount going to the benefit fund.

Nearly all drivers who competed in modified stock car racing with Jim have indicated they will participate that night.

Jim's brother, Lauren of Kenosha, who also raced the modifieds, now drives the car that Jim hoped would carry him to the Championship this year. Lauren hopes to make this night "one for Jim," as he tries for the top spot in the 30 lap feature.

One of Jim's greatest victories came at the end of the last season when he was declared the winner of the Norm Nelson Championship Race. Nelson was on hand to make this presentation to Jim.

Red Cross Water Safety

"Jellyfish floating" is an ideal way for a child to experience buoyancy, according to Robert Pohl, Red Cross water safety chairman.

To teach a child to "jellyfish float," stand next to the youngster in waist-deep water. Ask him to take a breath, bend forward with his hands on his thighs until his face and upper body submerge in the water, and then to reach down and grasp his ankles without bending his knees.

As his upper body submerges, the water will buoy him up and lift his feet off the bottom of the pool. The youngster's body is now suspended in the water, with only a part of his arched back showing. To teach a youngster how to recover his footing from this position, just tell him to lift his head and upper body toward the surface so that his feet can settle to the bottom.

Practice the "jellyfish float" with the beginner several times, until he feels confident that the water will hold most, if not all of his weight. Pohl said when the child feels at home in the water he is ready to learn the prone float that leads to natural swimming movements.

To teach a beginner the prone float, ask the child to face you in waist-deep water and to place both of his outstretched hands in yours. Instruct him to take a deep breath, put his face in the water and stretch his legs back as far as they will go.

Bohn The Bullet Blazes To Speed Center Win

Bill Bohn of Kenosha, known to his fans and competition as "The Bullet," blazed to victory in the 30 lap modified stock car feature at the Lake Geneva Speed Center Thursday night. The win marked his third feature win of the season and helped him in his drive for the top in point standings as Rodger Otto wound up only 3rd. Bohn's efforts were also helped by his win in the second heat race of the evening.

Bohn took the lead on the fourth lap of the feature and was followed by Rodger Otto in second. Fuzzy Fassbender of Hartford moved into second on the 17th lap and closed in on Bohn but despite several attempts couldn't move into the lead. Johnny Reimer pulled close several times on Otto but at the end had to settle for fourth place.

Gino Wagner was fifth, Claude Potter 6th and Don Schuppel, winner of last Thursday's feature, was 7th. Tom Anderson of Antioch was running second in the third 10 lap heat when his engine came apart dumping several quarts of oil on the main straightaway. Cars following him picked up the oil on their tires and went spinning off the number one turn. Even Fassbender, who was leading, failed to make the number one turn on his following lap. The cars were restarted and Fassbender won the event followed by Schuppel and Bill Klein of Burlington.

Don Scoree and Dean Krauze won the other heats.

Sportsmen Honor Life Members

Lifetime members of the McHenry Sportsmen's Club will have their day of recognition at a special shoot which will be staged in their honor on Sunday, July 23rd at the Club's trap range on the west side of Pistakee Bay, starting at 11 a.m.

The roster of this "elite" group includes Victor Redmond, Woodstock; W. C. Franke, Crystal Lake; Lewis Pitzen and Ardian Armit, McHenry. Shooters will vie for such epicurean delights as JoPat's home cured hickory smoked bacon and aged steaks, Dubuque hams and tender young chickens in contests which include Hi-Lo, Hi-Lo White bird, ten bird High Score, Protection and Annie Oakley Shoots.

In the Hi-Lo Shoot, both the highest scoring and lowest tallying gunners win a

K of C July Tourney Starts To Take Shape

In the Knights of Columbus July Tournament, the Waukegan Puzzles-National will face Mundelein's Tom's Groceries on Saturday, July 22. Also on Saturday HighWood Panther Lounge sides against Casey's Tap, and Mouldy's versus Van's Tap of Waukegan. In another clash on Saturday, Homan's Sporting of Fox Lake will face the Druce Lake Irish.

On Sunday, July 23, Joe's Lounge of Waukegan fights on the diamond against Sportsman's Lounge of Berwyn. The Puzzles-American will pitch against Hinsberg's Liquors of Fox River Grove. Freddie's Tap of Waukegan is scheduled to meet Oswald's Tap in a diamond duel and McHenry's Club Alibi, who were on top of the June standings are to face Small's 10th Inning of Waukegan.

In the K of C Softball League, Homan's won by forfeit over the Antioch News. Also on Wednesday, July 12, the league-leading Club Alibi doubled the K of C's score

and then some to take the game 24-11. Leo Williams and Dave Ferrigan met on the diamond mound with Williams coming out on the top. Home runs were smashed in by Bob Ferrigan and Jerry Gritzuk of K of C's and there

Antioch Legion Nine Finishes Season 3rd

The Antioch Legion Baseball team wound up league play last week in third place with a season's mark of four wins and five losses.

Taking the championship was Mundelein with Lake Zurich in second-place one game ahead of Antioch. In the season finale last Wednesday Antioch surrendered to the Lakes Region entry 4-3 with the winners coming from behind in the last inning to cop the decision.

In the replay of a tie game with Lake Zurich the locals failed to settle anything by winding up tied again, this time 2-2.

Bankers Boost BR Lead; Top Merchants, Boosters

Jim Carlson turned in a one-hit pitching performance last Thursday to lead the Antioch Merchants to a 5-0 victory over the J.C. Boosters in Babe Ruth League action.

Carlson gave up his lone hit to the first man he pitched to and blanked the Boosters the rest of the way.

The Merchants reversed their field the next day, however, dropping a 13-3 decision to the Advertiser as Brian McCarthy took the decision.

The First National Bank scored a pair of wins during the week coping a 10-6 decision from the J.C. Boosters on Wednesday and coming back to outscore the Merchants 8-3 on Monday.

Rick Nelson held the Boosters to three hits in elating up the win, getting batting support from Marty Romaine and Tom Tossey who led the Banker attack.

Romaine scored his fourth straight win of the season for the league-leading Bankers in Monday's tilt. K. O'Neal paced the Bankers with two hits.

Yellow Jacket Speeds To Final Lap Victory

Tom Anderson, of Antioch, driving the Yellow Jacket modified stock car, flew into the lead on the final lap of the feature at the Lake Geneva Speed Center, when leader Claude Potter of Geneva City flew off the number one turn, then recovered, but only after Anderson had gone by for the win.

The win was the first feature of his career and amid all the excitement he didn't know he was the winner until he pulled into the pits. The confusion started as Otto lost his engine and dumped oil on the track at the end of the 20th lap. When Potter and Anderson came around and took the white

flag, Potter spun off the track in the oil. Anderson went by Potter who quickly let his car go all the way around and came back onto the track ahead of Bergsma, who finished third.

Many cars had difficulty as Jim Sullivan of Antioch set fast time averaging 60.44 mph, and then blew the engine in his car and was unable to start a heat.

Bill Bohn of Kenosha lost the rear end in his car while leading the third heat and he was out for the night. Claude Potter then won the third heat. Rodger Isles of Waukegan, Anderson and George Fisher scored other heat race wins.

Fran Baumgartner and Leo Dunnavaon won late model stock car events. Gene Sisk, driving the car that carried Bill Snoodie to the late model championship in 1966 at the Speed Center, won the 15 lap late model stock car feature.

Miles Greene, Linoal Holder and Don Cooper won Spec-tator stock car events. The attendance was 2580 and the total purse \$1980.

Many fans came very close to having the winning combination that would have paid hundreds of dollars for the correct pick of the finish in the feature but most of them had picked Potter to win rather than Anderson.

was a double play with a fly to short center to first by the K of C's.

Continuing in the 16" league on Friday, July 14, Casey's topped Tom's Groceries, 10 to 7. Jim Hall lost to Frank Heiselman on the mound. Home runs were equalled by each team with Rottman of Tom's and Wolf of Casey's hitting them way out.

Mouldy's smashed past Tiny Links, 23 to 5, on Friday. Mouldy's quadrupled everything the Links tried to do. Credit for the Links only home run should go to Roy Johl's. Mouldy's had four with Williams, Price, Velvoda and McCollum scoring on the home runs. Lou Lynn won the pitching honors over Larry Mroz.

Feature Winner Breaks Records

Jim Cossman won his first feature in over a month at the Waukegan Speedway after setting fast time and recording seconds in two of the preliminary events on Saturday night.

Cossman took the feature lead on the seventeenth lap after a restart when Dave Evans lost a left front wheel and it rolled casually down the track.

Ralph Sinnen put his Kenosha Rambler in a commanding lead at the start and held on until the fifteenth lap when he retired to the pits because of overheating. Sinnen returned at the restart and eventually finished sixth.

Ladies Night Sees Champ

Dennis Burgan recorded his best night of the season ladies night crowd at the Waukegan Speedway. Burgan, the 1963 and 1965 champ of this track, won three races including the 30 lap feature, and set a blistering new six lap record.

Saturday's winner, and crowd favorite, Tim Seyl, took the lead from Ralph Sinnen in the third lap. Burgan and Dave Evans both passed Sinnen in the 9th lap when Ralph was slowed by lapped cars.

Seconds later Seyl nearly spun out and Burgan, Evans Sinnen and Roger Hagi all raced past. Lap after lap Evans tried to pass Burgan, but the old master always came out ahead.

When Evans spun wildly into the infield on the 15th lap, the race was all Burgan's. Cossman gained second from Sinnen with only eight laps remaining.

Mike Wolff was the evening's fastest qualifier, but he failed to win in any of the races. Burgan shattered the old six lap trophy dash record as he lead the entire distance in the opening event.

For the first time this season an Australian Pursuit was run at the Speedway. The crowd went wild as six cars fought it out for the final eight laps of this elimination race. Hagi was eliminated in the last lap and the remaining five cars took the

Tonight the Antioch swimmers will try to avenge the loss dealt to them by the Brentwood team in Waukegan last Saturday. The visitors have some fine swimmers that competed in the A.A.U. meets in Chicago, and are also exceptionally gifted with great depth in all the events.

The meet will start at 7:00 p.m. at the Aqua Center Pool. Everyone is invited to attend, admission free. At present, the Antioch team has a 1-1 record. They beat visiting Libertyville 148-127 but lost on the road to Brentwood 172-78. Win or lose, the meet will be exciting entertainment.

The next meet will be Aug. 2 at 6:30 p.m. at Zion.

New team members are:

9-10 Scott Maras, Julie Broders, 11-12 Maryann Teresi, 15-16 Diane Blakeman.

Report Record Entry For Chicago Dog Show

CHICAGO—Purebred dog breeders and owners in 31 states and Canada have entered 2706 dogs in the 27th annual all-breed dog show to be held here in the International Amphitheatre July 22-23 under sponsorship of the International Kennel Club of Chicago.

The Chicago show has been the largest dog show in the country in recent years, both in the number of dogs entered and in attendance. The entry has exceeded the 2600 mark at each of the past seven Internationals, show officials report.

An all-time high mark of 3402 dogs was reached at last year's International. The entry drop-off this year is attributed to a switch in scheduling from the show's long-established March-April dates to July, which was occasioned by the accommodation of other shows in the Amphitheatre earlier this year that had been booked into McCormick Place prior to its destruction by fire.

The 1967 International will nonetheless rank as one of the two or three largest dog shows in the country for the current year.

Reimer Wins First Feature

Defending champion John Reimer scored his first feature win of the season at the Waukegan Speedway Sunday night before the largest Sunday night crowd of the year. Reimer cranked off the third fastest qualifying time of the evening and then won the third heat to make it a very profitable evening.

Darv Nissen passed Jerry Hester in the second lap and led until he spun and was hit by Jim Sullivan in the seventh lap. Fran Ansell moved into the lead, but Reimer moved up fast and streaked by Ansell near the halfway point of the race.

By the twentieth circuit, Reimer held a slim lead over Gino Wagner and Bill Bohn and that is the way they finished at the end of their laps.

Cora Morton, Zion's racing grandmother thrilled the crowd as she took the hobby stock feature lead at the start and lead every lap to win. Mrs. Morton now is fifth ranked among the hobby stock pilots.

Hobby point leader, Jim Couch, gave Mrs. Morton a real run for her money, as he made up a lot of ground after being involved in an accident at the start of the race.

Couch drew even with Mrs. Morton's Chrysler as the two raced to the finish line, but Couch kissed the wall just enough to give the lady the win in a near photo finish.

Wagner won the Australian Pursuit race for the modified field run on a hard track which made passing extremely difficult and made for an exciting race. On test now, this pursuit race may likely become a part of Waukegan's regular schedule of races.

Jim Ouellette handily won the opening heat for the modifieds and then Bill Klein was the victor in the second race. Reimer took the lead from Nissen with only two laps remaining to win the third heat.

Doberman Show...

(Continued from page 6)

Northbrook, Ill. Exhibitors and spectators come from several states to enjoy this event which is sponsored by the Illini Doberman Pinscher Club.

Aside from exhibitions of obedience and conformation, the afternoon is completed by an old-fashioned cook-out picnic, trophies to almost all dogs who place in a class.

This is a non-official Fun Match and is open to all purebred Doberman Pinschers from two months old and up, and to any spectators who have an interest in this breed. This type of event is intended to give ring experience to owners and to dogs who have never been in a dog show previously.

The competition and pressure is low keyed and is designed for the novice Doberman fancier. All information about this event can be secured by calling Mrs. Alice Wolf at 667-5544.

among the 115 breeds with 189 entries; and Yorkshire Terriers are second with 109—and all-time record high entry, nationally, for this Toy breed. German Shepherds are a close third with 108.

Other large breed entries are 97 Afghan Hounds, 91 Basenjis, 81 Irish Setters, 78 Great Danes, 69 Basset Hounds, 68 Doberman Pinschers, 60 Alaskan Malamutes, and 57 Whippets.

The acres of exhibit area in the International Amphitheatre make possible staging a number of popular attractions at the Chicago show featuring dogs in action, including dog racing over a 200-yard dirt track. Three breeds noted for their speed compete: Whippets, Afghans, and Salukis.

One track-tested Irish Wolfhound, the largest dog among all breeds and reputed fastest over long distance will be among the racing contestants this year, according to the show sponsors.

There will also be indoor field trials where gun dogs will work in land and water retrieving. Breeds to be featured in these events are Pointers and Setters, and Labrador, Golden, and Flat-Coated Retrievers.

The International Dog Show will be open to the public from 9 a.m. to 10 p.m. Saturday, July 22, and from 9 a.m. to 7 p.m. Sunday. It will end with the selection of the Best Dog in Show winner from among the more than 2700 contenders that have been entered for competition in the forthcoming show.

DEATH NOTICES

MRS. IDA NUSSBAUM

Mrs. Ida Nussbaum, 73 years old of 602 5th Ave., Ruskin, Florida, passed away suddenly from a heart attack July 13, 1967 in Victory Memorial Hospital, Waukegan. She was born May 10, 1894 in Millburn, the daughter of the late Peter and Eva Strang. She had spent most of her life in Millburn, and the last eight years were spent in Ruskin, Florida. She is a member of the Millburn Congregational Church, Ruskin Woman's Club, and the Craft Class at Ruskin.

She is survived by her husband, Forster Nussbaum, Ruskin, Fla.; two sons, Donald B. Truax, Millburn, and Everett C. Truax, Nashua, New Hampshire; two daughters, Mrs. Carol (George) DeHaan and Mrs. Lois (Robert) Clark, both of Waukegan, Ill.; two sisters, Mrs. Madeline (Fred) Tebben, Lake Hamilton, Florida, and Mrs. Julia Slocum of Waukegan; eight grandchildren, one great-grandchild.

Funeral services were held at 3:00 p.m. Saturday, July 15th at the Strang Funeral Home, Antioch. Dr. Gehl Devore of the First Methodist Church of Waukegan officiated at the services. Interment was in Millburn cemetery. Friends called at the funeral home after 4 p.m. Friday.

JORGEN A. FREDSON

Jorgen Anthony Fredson, 80 years old of Yaw Subdivision near Camp Lake, Wis., passed away Wednesday, July 12, at the Jefferson County Hospital in Jefferson, Wis., following a lingering illness. He was born Jan. 23, 1887 in Aalborg, Denmark, and came to America in 1905 to reside in Kenosha County, and Racine, Wis., before living in Grayslake from 1928 until moving to Camp Lake, Wis., in 1954. He had been a Drainage Contractor by occupation. He married Elizabeth McGinty Yopp on June 28, 1917 and she preceded him in death on July 15, 1961. His stepdaughter, Miss Gretchen Yopp passed away on March 12, 1952.

Survivors are his stepson, Bernard H. Yopp, Grayslake, Ill., and two step-grandchildren.

Funeral services were held at 10 a.m. on Saturday at the Strang Funeral Home at Antioch. The Rev. Donald Cobb of the Antioch Methodist Church officiated at the services. Interment was in Grass Lake Cemetery near Antioch.

CHARLENE RAE RADTKE

Mrs. Charlene Rae Radtke, 18 years old, of West 24th

St., Chicago, was struck by a car on Hwy. 173 about 300 feet east of Lake Ave. at Channel Lake Sunday, July 16, 1967. She had been spending the weekend at her father-in-law, William Radtke's cottage in Woodcrest Subd. at Channel Lake.

Mrs. Radtke was born March 9, 1949 in Chicago and had lived there all her life. She is the wife of William Radtke, Jr., and is also survived by her mother, Mrs. Anna Lehmann, both of Chicago.

The Antioch Rescue Squad and the Antioch Police responded to the call for help at time of accident, and she was taken to Antioch, where she was pronounced dead.

An inquest will be held at the Strang Funeral Home in Antioch, where a jury was sworn in Monday morning. Funeral services were held in Chicago.

MARIE R. SMITH

Mrs. Marie R. Smith, 75 years old of 2747 Hampden Court, Chicago, passed away Saturday, July 15, at 6:30 a.m. in Augustana Hospital, Chicago. She was born Oct. 17, 1891 at Washington, D. C. and moved to Chicago 54 years ago. She was a member of St. Clement's Church at 642 Deming Place. Mrs. Smith had worked as a clerk in the Cook County Clerk's office for the past 12 years.

She was preceded in death by her husband Charles J. May 8, 1966, and two sons, Charles J., Jr., and Harry A. Smith.

Survivors are a son, John (Jack) of Antioch, three grandchildren and six great-grandchildren.

A requiem mass was held at 10 a.m. Tuesday at St. Peter's church in Antioch. Interment was in Mount Carmel Cemetery in Chicago.

JOSEPH NIELSEN

Mr. Joseph Nielsen, 62 years old of Hwy. 83 & County Trunk "SA" near Salem, Wis., passed away suddenly Tuesday, July 11, at 9:00 a.m. in Waukegan from a heart attack. He was born December 23, 1904 in Ramme, Denmark and came to America in 1927 and resided in Chicago before moving to Waterloo, Iowa, for two years. He then moved back to Chicago where he operated the "Little Denmark" Tavern on Cottage Grove Ave., until moving to Salem 7 years ago to own and operate Nielsen's Oak Tavern.

He married Thora Erickson on January 19, 1939 in Chicago. He is survived by his wife Thora; a brother, Niels M. Nielsen, Chicago, two brothers and four sisters in Denmark.

Funeral services were held at 1:30 p.m. Monday, July 17, at the Strang Funeral Home in Antioch. The Rev. Larry Wick of the Richmond Lutheran Church officiated at the service. Interment was private.

WILLIAM RUSSELL KORAL

Baby Boy William Russell Korral, 8 weeks old of Valmar Subdivision near Wilmette, Wis., passed away in his sleep on Saturday morning at his home. He is survived by his parents, Ronald A. and Georgann Korral of Trevor, the maternal grandparents, Ruth and William Horst of Chicago, the paternal grandparents, Alex and Olga Karolovich, of Addison, Illinois.

Private funeral services were held at 10 a.m. Monday at the Strang Funeral Home. Interment was in Home Oak Cemetery near Antioch. The Rev. William Lehmann of St. John's Lutheran Church at Island Lake officiated at the services.

PM&L Show Is Tuned To Jubilee

Especially timely for Antioch's Diamond Jubilee Celebration is the next presentation of Palette, Masque & Lyre, which opens July 28.

The new offering of Antioch's dramatic work shop is "Take Me Along," the story of a 16 year old boy who becomes a man during one Fourth of July in a small American town at the turn of a century.

The PM&L offering will help set the stage for the nostalgia being generated by plans for the village's 75th anniversary.

Directing the production will be Steve Krotz. Included in the cast will be Don

Republicans Display Past Political Buttons

The Women's Campaign County Republican Central Committee has announced through its county fair chairman, Mrs. John Clavey, of Highland Park, that a surprise of widespread interest to Lake County residents is being planned for its booth.

Auxiliary Republican groups in the county whose members will participate include the Republican clubs of Antioch Township, Fremont-Mundelein Township, Grant Township, Highland Park, Vernon Township, West Deerfield Township, and Young Women's GOP Club of West Lake County.

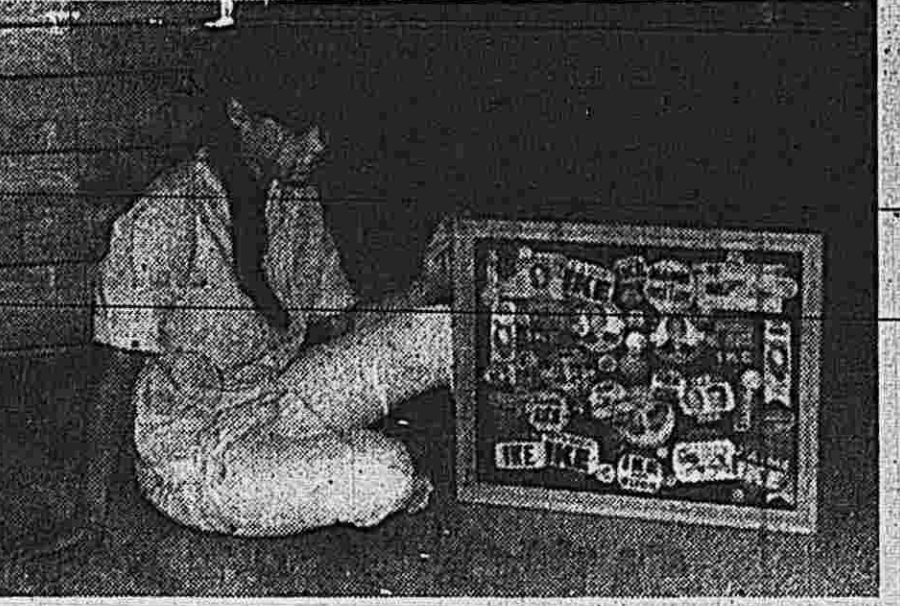

Mrs. Helen Burke, of Antioch, is among those serving at the booth.

how good are A&P frozen vegetables?

Read on...you be the judge.
The best vegetables are Grade A.
Every package of A&P Brand Frozen Vegetables is Grade A.
Pick up a package.
You'll see "Grade A" is printed on every wrapper.

Do you have a different brand in your freezer?
Check it. See if it's labeled Grade A.

Surprised at the quality of A&P Brand Frozen Vegetables?
Not if you're an A&P shopper.
After all, it does bear the A&P seal.

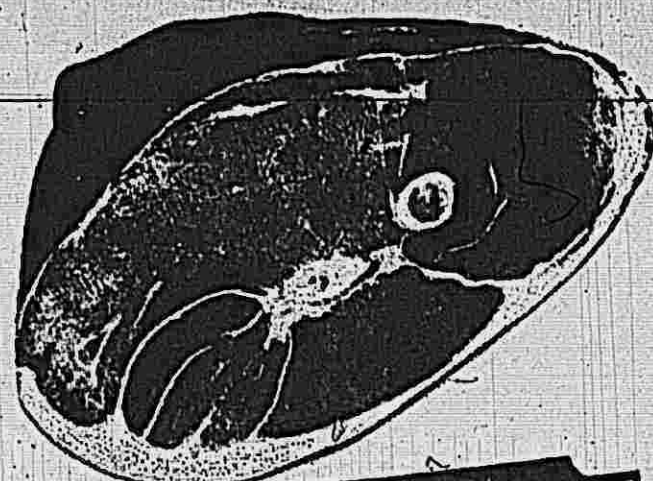

What more is there to say?
Just this.
You won't believe the prices...they're so low.

Are A&P Brand Frozen Vegetables a good reason for shopping A&P?
They're one of many.

P.S. There are exceptions:
Potato Morsels, Cottage Fries, Whole Peeled Potatoes.
That's because today there are no standards for Grade A on these items.
But don't worry. There are none finer.
